

The Dawes Arboretum

Visit the **Red Barn Reserve** to explore meadows, a pond, a boardwalk, wetlands, wooded areas and a rustic barn. With 1.5 miles of trails, the Red Barn Reserve offers visitors plenty to explore. Be sure to visit the seasonal Ohio Butterfly Trail, June through October.

The **Dutch Fork Wetlands** are home to a meadow, observation deck and shelter house, as well as a variety of plants, birds, insects and mammals among 70 acres of restored wetlands.
